Support and friendship
for families

Home -Start
Cambridgeshire

Home-Start offers a valuable and unique service for families by training volunteers to support parents with young children at home

- We support families who are in need of practical and emotional support to help them gain confidence and move forwards
- We are currently seeking volunteers who can offer support to families in their local area
- Do you have parenting experience and a spare 2-3 hours a week?
- This fulfilling role requires energy, commitment and reliability

In exchange for your time we can offer you training and support and an opportunity to meet like-minded people

To talk about joining a course or for more information on volunteering please contact us:

PAPWORTH EVERARD PARISH COUNCIL REPORT

Parish Clerk: Sarah Cruse

Telephone: (01480) 830360

E-mail: clerk@papwortheverardpc.org.uk

Things have been quite quiet over the summer for the Parish Council as it does not hold any meetings in August.

Work however has been continuing on several projects including arranging for a permanent solution to prevent any future illegal encampments on the Playing Field. Metal bollards will be installed around the field by the end of September allowing us to have the unsightly concrete blocks removed.

VILLAGE HALL CAR PARK WORKS

Work has been taking place over the summer to make improvements to Village Hall car park. Accessibility to the North Hall for wheelchair users has been greatly improved and dedicated disabled parking bays have been created along the side of the Hall. A pathway has been created using barriers alongside the building to make it easier for pedestrians and wheelchair users to access the North Hall and the side doors of the main hall.

VILLAGE HALL BOOKINGS

Are you thinking of holding a Christmas party, or have a celebration coming up? Perhaps you're looking to start up a regular meeting or hobby group and need somewhere to hold it?

The Village Hall is a great venue for all types of events from children's birthday parties, fitness classes and fashion shows to conferences, meetings and training courses.

There is also a Seminar Room on the first floor which is ideal for small committee style meetings, crafting groups or informal meetings.

If you are looking for a venue to hold your event, or perhaps your employer needs somewhere for an annual conference, training event, social gathering or regular off-site meetings, why not get in touch and see what we can offer?

Booking enquires can be made by completing the enquiry form on the Amenities page on the Parish Council website (<http://papwortheverardpc.org.uk/amenities/>) where you will also find the tariff of charges, or by emailing the Bookings Clerk, Clare Taylor (villagehall@papwortheverardpc.org.uk).

A message can also be left by calling the Bookings Co-ordinator on 07841014414 or the Parish Office on 01480 830360.

PADDLING POOL – SUMMER 2018

The paddling pool closes for the summer on Sunday 9th September after nearly 8 weeks of use over the holidays. We would like to thank Adrian Clifton, Eddie Tomkinson and David Jessop for all their work in keeping the pool clean and the water safe for everyone to enjoy. It's not a small job, as the pool has to be vacuumed for around two hours a day and the water treated and tested 3-4 times a day and the pump filters flushed and cleaned – in addition to maintaining the general area. The guys have been out in all weathers ensuring the pool is safe and clean for our children to use - and have done a great job!

The paddling pool is a great asset to the village - if you have any ideas or suggestions to make it even better for next year, we'd love to hear from you!

Become a Councillor

Sadly one of our Councillors has had to resign from the Parish Council due to ill health.

The Parish Council would like to wish Paul Kidson all the best and thank him for his valuable contribution to the work of the Council.

The Parish Council currently have vacancies for several new Councillors.

Parish Councils deliver a range of services at a community level and their role is to represent the local community, provide services to meet local needs and improve quality of life and community well-being.

If you have a real interest in the village or are new to the village and want to get more involved why not come and have a chat and see if it's for you? We're looking for people who can rise to the challenge and make a commitment to improving the quality of life for everybody in our village.

Knowledge and experience aren't essential, training is available and existing members have a wealth of experience they are willing to share. The essential element is a willingness to work as a member of our team to make a difference.

We hold 11 Parish Council meetings per year and in addition you will be required to become a member of one or more of our sub-committees and get involved in working groups looking at specific projects if you wish.

Being a member of the Parish Council is hugely rewarding.

There is more information about what the council does and eligibility criteria for becoming a Councillor on the Parish Council website. If you think you have what it takes to make a difference or if you have any questions or would like an informal discussion with an existing Councillor about what the role entails, we'd love to hear from you. Contact Sarah in the Parish Office 01480 830360 clerk@papwortheverardpc.org.uk for more information.

MAKING HAY WHILE THE SUN SHINES

It's a familiar saying; perhaps we began to lose sight of its' significance after such a long and generally uninterrupted period of fine weather. Equally, it is easy to get complacent and fail to seize important moments when they resent themselves in life generally.

I think of those occasions (before purchasing 'on-line' was an option!) when I may have been shopping with my wife. We saw the very thing she was looking for in the first shop we went into; but 'wisdom', 'caution' or the reluctance to grab what's on offer so early in the day persuaded us to "make sure" by looking elsewhere first; only to find - a couple of hours later - what we saw and was fit-for-purpose has now been sold and no further supplies are on order! So frustrating; even worse if we end up with something that is second-best.

There is a great temptation to put off making crucial decisions in matters of life and death. In my role as a Vicar there have been times when I sat with families in the shock of a sudden bereavement and when I needed to ask about the deceased's wishes, there was a tearful shaking of heads. This was the conversation that had always been put off and never broached; and now they have the anguish of having to make decision not really knowing whether they would be in line with their loved one's preferences.

The Bible says on more than one occasion 'Now is the day of salvation.' It is a reminder that in life we have choices about accepting God's provision for us, recognising Jesus as Saviour and knowing we are secure in His favour now and for eternity. These are examples of decisions we should not leave outstanding, in my view.

A few people have started recently to enquire about what it means to be 'baptised and confirmed'. This page is inadequate to give a complete answer; but in short asking the question can be one very helpful way of making sure we have faced up to these spiritual questions; making hay while the sun still shines on us!

If you are interested in pursuing that with us, please get in touch and I will glad to tell you more. My contact details are shown in this Newsletter.

Varrier Jones Social Club

Once again the Social Club Members were strutting their stuff at the August Meeting but this time to the music of Holly & Co. This Duo, I am sure, will be returning to the Club by popular request. They certainly know how to entertain with popular county songs and I am totally disappointed that I am unable to include photos of this event due to the malfunction of my camera (a bad workman always blames his tools) the pictures are all fuzzy!!

By the time of reading this our Harvest Lunch on the 7th September with entertainment by Big Ron Tee will have taken place and I hope to have made a better job of the photos for this event. However, if any Member has any photos and would like to make the usual contact I may be very pleased to see your efforts.

Our AGM will be held at our 6th October Meeting and we would very much like as many Members as possible to attend and anyone who is thinking of joining us would also be very welcome.

The planned trip to the Derngate Theatre on the 27th October 2018 to see West Side Story is now sold out but if you are sorry you have missed out and would like to add your name to the waiting list then please make the usual contact. Outing times will be as for the previous theatre trip. Leave Papworth from the usual stops at 11am returning after the Show at 5pm.

We are always looking to make new friends so why not come and join us? Make some new friends or catch up with some old ones for an afternoon of entertainment and chat. Meetings are held on the first Friday of each month. Start time is 1.30pm in The Studio, Pendrill Court. Admission is £3 for Members, £4 for Visitors. The Annual Membership is only £5. Where else could you get anything like this for the price?

play papworth **THE COURTYARD**
COFFEE SHOP / MICRO PUB

Play Papworth are pleased to announce a series of musical events to be held at the Courtyard coffee shop / micro pub, Pendrill Court, Papworth Everard.

Dates and times are still being confirmed at the time of going to press, although we're hoping to start at the end of September, so please look out for notices in the Courtyard or follow the Play Papworth Facebook page at www.facebook.com/playpapworth.

PLAY PAPWORTH UNPLUGGED: live and acoustic.

Bringing the best local solo and duo performers, unplugged & acoustic, to the Courtyard.

To be held on occasional Sunday evenings. These are not open-mic gigs, but we are always on the lookout for local performers - especially the development of the next generation of performers - so please get in touch if you'd like a slot.

RE-PLAY PAPWORTH: album playback.

We'll be working our way through the catalogue of classic albums; be they rock, pop, folk, classical, jazz, or whatever; we might even throw in a few more obscure should-have-been-classics.

When's the last time you sat down with friends and listened to an album all the way through? For the benefit of younger readers, this is what your parents used to do with *their* friends, when they were your age!

There's no better way to listen to an album than hearing it on vinyl. Our friends at Criterion Audio, Girton (www.criterionaudio.com) will be bringing a high-end vinyl hi-fi system to the Courtyard for Re-Play Papworth sessions. We'll have a CD player on standby, too!

This isn't a DJ set. We'll be theming our events around the featured classic album and inviting guest music experts and authors to set the scene.

If you have a favourite record or CD you'd like to suggest, bring along, and maybe even talk about, please get in touch via the Play Papworth Facebook page.

We're starting at the top with 'Sgt. Pepper's Lonely Hearts Club Band' by The Beatles, which celebrated its 50th birthday last year in a brand new edition.

ENGAGE MEETINGS

In July we went on "A walk with the Penguins"! This was the title of Dave Horan's powerpoint presentation when he gave a delightful talk on his experiences whilst on a cruise to Antarctica. This type of cruise is not an easy sail for the faint-hearted and for Dave it proved to be an extraordinary, wondrous and inspiring adventure. He showed us majestic mountains, icebergs carved into amazing shapes, and of course the wonderful birds and animals, especially the penguins. The tour began in Buenos Aries from where they sailed around the Falklands before moving on to Antarctica.

The passengers were issued with suitable clothing to enable them to take part in landings with small boats and activities ashore, as well as evening lectures by professionals - it was an all round educational adventure. Even the pianist for evening entertainment just happened to be a professor of music in Canada as well as captaining one of the small boats! Dave's talk was just such fun and full of enthusiasm for his subject.

We start on Thursday, 13th September with a talk by Jess Hughes who is a volunteer co-ordinator for EACH - East Anglia's Children's Hospices. Then on Thursday, 11th October, we welcome Dr Maureen James, who is an historian and writer. Her subject is "Witches and Wise Women". Dr James returns on Thursday, 8th November, when her theme will be "A History of Christmas Customs" - nicely timed as Christmas will be fast approaching by then! All Engage meetings are from 10.00 to 11.30 am in the library.

PAPWORTH CRAFT GROUP

MEETINGS ARE ON THE FIRST & THIRD SATURDAYS OF EVERY MONTH AT PAPWORTH LIBRARY

10:30 - 12:30

What a summer we have had, with near tropical heat interspersed with monsoon-like days of rain! Now autumn is approaching, and what better time to join the Papworth Craft Group? Our numbers have swelled since the beginning of the year, but there is always room for new members.

If there is anyone who just popped in once or twice over the past year, but did not continue, we would love you to join us again, and see if you might like to come more regularly. We are a very friendly, chatty group, and we love to spend two hours on two Saturdays every month knitting, or crocheting, cross stitching, embroidering or doing tapestry.

Perhaps you would like to learn to do one of these crafts, or maybe you might be an expert cross stitcher, who can pass on some new skills? Novice, experienced or somewhere in between - all are welcome.

There must be some men in Papworth or near about who can knit or crochet. After all, many of the most well-known knitwear designers are men.

Fishermen used to make their famous Guernsey sweaters, (and some probably still do). Knitting and most other hand crafts are not the preserve of females.

There are plenty of seasonal yarns, patterns and the rest to choose from in stores and online. The choice can be difficult, and sometimes overwhelming. The good thing is that you can always add to your stash if you find that you cannot choose between this or that!

We are hoping to produce some blankets for charity this autumn and winter. If you wish to join in, knitted squares are required in great numbers - four inches or just over ten centimetres, depending on whether you follow imperial or metric measurements.

If you do not wish to make any squares yourself, but have some yarn that you would like to donate, please bring it along to one of the Saturday meetings, and we shall turn it into squares for the blankets.

In the group there are some expert knitters who devote a great deal of their time producing items to raise much needed funds for the Papworth Day Centre.

There are others working on a variety of projects that will be sent to charities.

We can all follow their example, and knit, crochet, cross stitch, or embroider items that will go to help others, as well as working on projects for ourselves.

One of the most rewarding aspects of the group is the interaction of a bunch of individuals who would never have met, but for the Craft Group, and have created a dynamic, out of which come ideas to create a purpose beyond meeting twice a month.

Get out your knitting needles and join us in September!

REMEMBER, we are very fortunate to be able to have our meetings in Papworth Library.

This is a very special resource, and one that should not be taken for granted. Small libraries are under constant threat of closure if the footfall is too small.

The Papworth Craft Group is a community activity, and by joining us you will increase footfall, as well as enjoying the use of the library. Give the group a try!

You may surprise yourself and enjoy two hours just for you!

Do You Own a Slow Cooker

Temperatures are dropping, the days are shortening, so it's time to start getting out the slow cookers.

If you do not have one then I would suggest you seriously look at one, they are a very usefull kitchen appliance that really helps with the hustle and bustle of our lives.

We are all very busy and a lot of us eat on the go, and at different times, or we want to eat as a family. Either way this is where this piece of equipment comes into its own.

You can leave it to cook all the ingredients very slowly while you are at work or out at play and when you get home a hot meal is waiting just to be served.

Below are some useful recipes that can be cooked for the family and just left to cook until you are ready to eat.

Creole Chicken and Sausage

Main Ingedients (just place in cooker and stir)

- 1 x pound boneless skinless chicken breasts
- 12 x ounces our chosen sausage, cut into small rounds
- 1 x cup chopped onions
- 2 x cloves minced garlic
- 1 x 1/4 cup low sodium chicken broth
- 1 x can (14.5 ounces) diced tomatoes
- 3 x tablespoons tomato paste
- 1/2 x cup tomato sauce
- 2 x teaspoons Creole seasoning
- 1/4 x teaspoon cayenne

Optional Extras

- 1 x tablespoon brown sugar
- 1 x 14 ounce can black beans, rinsed and drained
- 2 x green bell peppers, chopped
- 1/2 x cup sliced spring onions for topping
- salt to taste
- brown rice for serving

Just leave to cook in the slow cooker as per your cookers instructions.

Veggie Lasagna

Main Ingedients (just place in cooker and stir)

- 2 x 24 ounce jars or cans of Italian tomato sauce
- 9 x thick lasagna noodles
- 24 x ounces part-skim ricotta cheese or cottage cheese
- 3 to 4 x cups chopped vegetables of choice
- 2 x cups shredded Mozzarella or Provolone cheese
- Parmesan cheese for topping
- Fresh parsley for topping

Just leave to cook in the slow cooker as per your cookers instructions.

Bread Pudding

Main Ingedients

- 8 x cups 1-inch cubes day-old French bread
- 1/2 x cup raisins, if desired
- 2 x cups milk
- 4 x eggs
- 1 x cup sugar
- 1/4 x cup butter, melted
- 1 x teaspoon ground cinnamon
- 1/2 x teaspoon vanilla
- 1/4 x teaspoon ground nutmeg
- 1/8 x teaspoon salt
- Whipped cream, if desired

Method

Spray slow cooker with cooking spray.

Place bread and raisins in slow cooker.

In medium bowl, beat milk, eggs, sugar, melted butter, cinnamon, vanilla, nutmeg and salt with whisk; pour over bread and raisins. Toss to evenly coat. Let stand 10 minutes. Toss again to make sure custard is evenly distributed.

Cover and cook on Low heat setting 2½ to 3 hours or until knife inserted near center comes out clean. Serve warm with whipped cream.

Cook in the slow cooker as per your cooking instructions above

Skegness Successes

The bowls season has now officially finished and once again for Papworth Bowls Club it has been another memorable and very successful season, so many memorable performances throughout the year.

Special congratulations go to Mark Franklin and Kane Phillips who can now boast to being National Champions after being a part of the Hunts under 25's winning team at Skegness. For Colin Bates and Richard Fisher it has also been a season they will never forget, reaching the National final in the pairs competition only to lose the final on the very last wood.

A fantastic achievement by all four bowlers and something that Papworth Bowls Club can be very proud of. At club level the honours keep racking up with Jack Ward and Callum Bowden joining Kane and Mark representing Hunts under 25's. The men had 6 players representing the county in the Adams competition making up a third of the team from just the one club a fantastic achievement.

The club also performed well in league completions the most notable performance coming from our ladies team who finished 2nd in their division well done ladies!

We have a few club competitions to complete before the green will be officially closed at the end of the season. The club would like to thank everyone who has been involved this year, the work that goes on behind the scenes is what keeps the club running so successfully, a special mention goes to the ladies who took it upon themselves to organise the food for all the men's competitions.

The semi finals day and the Hunts under 25 days, also the ground staff who are often working on the green when most others are still asleep, without you the club would simply not be in the position it is in so thank you once again.

Let's hope the 2019 season is as if not more successful.
