Papworth Surgery Flu Vaccination Notice

The nights are drawing in, it's getting colder and we're starting to think about Christmas....and the FLU JAB!

For most healthy people, influenza is an unpleasant but usually self-limiting disease. However, children, older people, pregnant women and those with underlying disease are at particular risk of severe illness if they catch it.

Vaccination is the MOST Effective Way to prevent influenza

If you think you fall into one of the categories above, please contact the surgery for an appointment. We can also vaccinate your child if they are aged 2, 3 or 4 (i.e born on or after 1 September 2014 and on or before 31 August 2016)..., although if your 4 year old is already at school they will be vaccinated there with the older children.

If you're not sure whether or not you are entitled to a flu jab, just contact one of our nurses at the surgery to check.

Papworth Surgery is holding two Saturday Flu Clinics on the following dates:

Saturday 13th October and Saturday 27th October and we are taking **bookings now!**

We will also have Flu Clinics available during the week, just ask at reception.

Shingles

A vaccine to prevent shingles, a common painful skin disease may also be available on the NHS to people in their 70's. Please ask if you think you may be eligible and if you would like this at the same time as the flu jab.

Pneumococcal Disease

The pneumococcal vaccine protects against serious and potentially fatal pneumococcal infections. You may be eligible for this vaccination at the same time as the flu jab if you are an adult aged 65 and over, or a child/adult with certain long-term health conditions.

Please ask if you would like this at the same time as your flu jab or need to find out if you are eligible.

If you have any questions regarding any of these vaccinations please contact the surgery or look at <https://www.nhs.uk/conditions/flu/> for more information

INSPIRING WOMEN

Papworth Everard Womens Institute

We had our usual summer break during August this year but several members enjoyed travelling back to the golden age of luxury rail travel and indulged in a delicious cream tea at Carriages of Fen Drayton, Cambridge

From the moment you step into the 1920's station, you are transported back to this romantic era with all its luxury and decadence.

The highest attention to detail has been paid to creating this very special venue from the original Pullman style Carriages, separate armchairs, locally grown ingredients in the Victorian Garden and enticing menu of traditional English Afternoon Tea with a contemporary twist.

Our meeting this month was a members' social evening to support a MacMillan fundraising event. Several members brought along cakes to purchase and eat on the night, or to take home and we enjoyed taking a chance and guessing

the number of spots on the cake and another finding the pot of gold – a fantastic £150 was raised on the night.

Along with the fundraising our members tried their hand at Origami! Cutting out and making doyleys – it came quite naturally to some, but for others it was a hilarious disaster!

Members were very generous again this year bringing along bulbs to be planted in the Village so hopefully next Spring should bring much pleasure to the people of Papworth.

Our lunch this month was held at the Hartford Marina in Huntingdon.

To find out more about what is going on you can log on to our website at www.papwortheverardwi.org.uk or if you are 18 or over just come along to one of our meetings at 7.15 for 7.30 on the third Wednesday of each month in the Studio next door to the Library. You can be sure of a warm welcome. The visitor's fee is £4.00 including refreshments.

Playing Field

Work is due to start in the second week of October to install metal posts around the perimeter of the Playing Field to prevent any future illegal encampments. We will then be able to have the concrete blocks removed.

Dog Mess

The football season is well underway and although the amount of dog mess on the field has decreased thanks to people keeping their dogs on leads and being more vigilant, it is still necessary for the officials to do a sweep of the field and remove dog mess to ensure it is clean before each match.

With many dedicated dog waste bins around the playing field and throughout village, there is no excuse to leave dog mess on the field, paths and open spaces. If you can't find a dog bin, bag your pet's mess, seal it well and it can be carefully placed in a standard litter bin – or take it home for disposal. It is the responsibility of the dog owner or the person in charge of a dog to clear up any mess left by the dog as soon as it has fouled - being unaware a dog has fouled or not having a suitable bag is not a reasonable excuse !

Planning

The Local Plan for South Cambridgeshire was adopted by South Cambridgeshire District Council on Thursday September 27th, having been approved by the Government Inspectors earlier in the month. Adoption of the Local Plan means South Cambs District Council will now use the plan as the cornerstone in all planning decisions made for the area. It contains the key housing sites the council will be expecting to see developed over the coming years.

The Parish Council's Planning Committee has received notification that the application by Bloor Homes for 175 houses on land to the East of Old Pinewood and Ridgeway (S/1783/18/OL) has been refused by the South Cambs District Council. In addition, Bloor's appeal against the planning permission refusal for their original application for 215 houses off Ridgeway (S/2647/15/OL) has also been withdrawn.

Many thanks to all the parishioners who submitted letters of objection or worked with the Parish Council to robustly defend against the applications.

At the Parish Council's Planning Committee meeting in September, an application for additional units to be built on the site of the former hospital car park behind the DHL building on Sterling Way was recommended for approval.

The Committee also recommended for approval, plans to increase parking at the Caxton Gibbet services. The scheme would provide additional car park space behind the existing Subway and Broccoli buildings with the exit from the car park being re-routed out via the small access road and out onto the A1198 to the south of the site, with traffic entering the car park via the existing entrance.

Papworth Everard Village Design Statement

Papworth Everard is fortunate to have been selected as one of six South Cambridgeshire village for which a Village Design Statement (VDS) is to be prepared, with the support of South Cambs District Council and funding from central Government.

The Design Statement will identify both good and bad design in the appearance of current village buildings and will set some guidelines for any new developments in Papworth Everard (e.g. the redevelopment of the Royal Papworth Hospital site, after it moves to Cambridge early next year).

The Parish Council, South Cambs District Council and the independent consultant tasked with consulting the village and preparing the document are seeking a wide range of views from village residents. This is an invitation for you to join a Steering Committee that will be meeting to provide those views for incorporating into the VDS. The commitment will be relatively short-term as it is intended to issue a draft document before Christmas. It will mean attending a couple of 'workshops' in the village and a one day 'study tour', to visit recent developments in other places, which might help to focus views on what should happen in Papworth.

If you, or someone you know, would like to be involved, please contact the Parish Clerk as soon as possible and leave your name and contact details and a member of the Parish Council's planning committee will contact you to explain more about it.

Village Hall – Party Hire

If you are looking for somewhere to hold your Christmas party, we still have a few dates available for hire.

Booking enquires can be made by completing the enquiry form on the Amenities page on the Parish Council website (<http://papwortheverardpc.org.uk/amenities/>) where you will also find the tariff of charges, or by emailing the Bookings Clerk, Clare Taylor (villagehall@papwortheverardpc.org.uk).

A message can also be left by calling the Bookings Clerk on 07841014414 or the Parish Office on 01480 830360.

Charity Food Festival

Indian Cultural Association Papworth is conducting an Indian food festival on November 18th Sunday between 12.00 Noon to 2.00PM at Papworth Village Hall for raising the

fund for helping flood affected people in Kerala, India.

ICAP is organising this as a Charity event for helping the needy people. We are welcoming all. Variety food includes Fried Rice and Chicken, Biryani etc.

WANTED !

Tree Warden for the Parish of Papworth Everard

Being a Tree Warden gives people who feel that trees matter, the opportunity to be involved with trees in their local area.

As the eyes and ears of the Parish Council, each Tree Warden decides on their level of involvement, areas of interest and what is useful to their neighbourhood.

The Tree Warden scheme run by South Cambridgeshire District Council gives people opportunities to:

- **Champion their local trees and woods**
- **Survey trees and gather information about them**
- **Provide early warning of threats, disease, decay or vandalism**
- **Plant and care for trees**
- **Carry out woodland management**
- **Involve their neighbours in tree projects**
- **Get together with like-minded people for training and field trips**
- **Spearhead council initiatives such as its hedge tree campaign to reverse the decline of trees and hedges.**

Training events are held three times a year at different parish locations and will cover topics which will be tailored to the needs of parishes in South Cambs.

The first event will be held in November 2018 followed by events in March and July 2019

More information can be found at www.scambs.gov.uk/treewardens

If you think you could be our Tree Warden, please register your interest with the Parish Clerk clerk@papwortheverardpc.org.uk 01480 830360

NOTE: This is a volunteer position and is not remunerated.

Nigel di Castiglione Team Rector How time flies!

After a long and hot summer, we are in the season village shows, Harvest festivals and suppers. I am thinking of rotas for January to April! That's right – it's the nature of church life these days as resources have to be spread ever more thinly; we have to keep ahead of the calendar to ensure we get the support we need from colleagues to fulfil our regular patterns of ministry.

Before then we have Remembrance and, of course, the Christmas season. This will be a particularly important Remembrance Sunday as 2018 marks the 100th anniversary of the formal end to World War 1, and it falls on a Sunday. This year we are having our Village Remembrance Service in the Village Hall; why don't you plan to join us?

Remembrance is not just about looking back to wars that occurred before many of us were born. These days recruits to the armed services have to face up to the real prospect they may be called on to go into cauldrons of conflict; many of us were seared by the sight of so many service people brought home having been killed in Iraq with sombre parades to honour them as they were driven through Wootton Bassett.

The early months of 2019 are likely to be another defining time in the history of our nation as the Brexit deadline approaches and we still don't know on what terms any deal will settle.

Sometimes I wish, wouldn't it be good to stop the clock and take stock for a few weeks before we hurtle into the next onslaught of busyness? It isn't about to happen. As a Christian, however, I know God invites me to be still before Him (Psalm 46v10); and Jesus clearly had a discipline of getting alone to pray on a regular basis. He doesn't stop the clock ticking but allows us to recalibrate, be refreshed and refocussed in his presence, in readiness for all we have to face or deal with.

This is one of the benefits the church adds to many villages I serve and perhaps close to where you live: in Papworth Everard St Peter's church is open every day – so that you (with me) can find space away from other demands to have time with God. Tell yourself you are welcome, because you are! Make a visit and in your prayers include one from Samuel who, having been pointed in the right direction said to God: "Speak for your servant is listening."

You won't be ignored or disappointed!

ing this year!

Following on from the success of last year, this year on Halloween, the Beavers, Cubs & Scouts of Papworth will once again be knocking on your door.

But we don't want your sweets, we are asking for donations of food items that we can re-distribute to those in need.

Please can you look in your cupboards and dig out those items you can perhaps do without ready for our visit.

We will be distributing leaflets with more details and times soon. So as not to offend those who prefer to be left alone on Halloween. If you want us to call please put the leaflet in your door / window so we know you are happy for us to knock.

If you don't want us to disturb you but would still like to support us, please leave any items in a bag or box on your door step.

Varrier Jones Social Club

Our Harvest lunch on the 7th September proved very popular. The excellent meal, catered by the Committee Members, was a tasty ploughman's rounded off by rhubarb pie and custard. This was followed by entertainment from Big Ron Tee. Ron was his usual cheerful self with lots of gags (including the laughing policeman song) and music not only for singing to but also to get a few people up on their feet dancing. This is becoming quite a feature when we have music – not just for the dancers but for added entertainment for those who enjoy people watching. We then had the usual cup of tea and cake (who thought we needed more food!!) Finally rounded off by the raffle. What a good afternoon that was.

Our Entertainment Committee are now busy planning next year's programme so if you have any preferences or if you are an entertainer/speaker and you think we might be interested why not give us a call. Audrey on 01480 831053 or Eddie on 01480 830338.

The planned trip to the Derngate Theatre on the 27th October 2018 to see West Side Story is now sold out but if you are sorry you have missed out and would like to add your name to the waiting list then please make the usual contact. Outing times will be as for the previous theatre trips. Leave Papworth from the usual stops starting at 11am. We should arrive at the Theatre in time to allow for a bite to eat from one of the local eateries before the show and then returning after the Show at 5pm.

We are always looking to make new friends so why not come and join us? Make some new friends or catch up with some old ones for an afternoon of entertainment and chat. Meetings are held on the first Friday of each month. Start time is 1.30pm in The Studio, Pendrill Court. Admission is £3 for Members, £4 for Visitors. The Annual Membership is only £5. Where else could you get anything like this for the price?

Magic Mushrooms

With temperatures dropping and the nights closing in, for me October signals the start of a steady decline into winter. After a beautifully warm summer it is easy to be pessimistic about the changing of the seasons, which is why it is important to savour all the highlights of autumn. One of my favourites is the abundance of colourful and quirky fungi currently adorning our woodlands. Ask most people to think of a woodland fungus, and they will probably imagine a fairytale-style toadstool sitting nestled on the forest floor, or perhaps an earthy-coloured mushroom perched on a tree trunk like a sturdy bracket.

But the mushroom is only the fruiting body of a fungus, like a flower on a plant, and the fungus itself is far more extensive than what you can see above-ground. Beneath that archetypal mushroom, a complex network of tiny branches, called hyphae, stretch far underground tapping into the soil to derive nutrients like phosphorus and nitrogen which allow the fungus to grow. Sometimes these branches gather in such numbers that they are visible to the naked eye, forming cobweb-like clusters called mycelia.

visible to the naked eye, forming cobweb-like clusters called mycelia.

Fungi form a taxonomic kingdom of their own, which is, surprisingly, more closely related to animals than plants. And while their effect on the planet may not be as immediately clear as that of animals and plants, they are absolutely vital to healthy, functioning ecosystems. Fungi are one of the main decomposers in forests, using enzymes produced by their hyphae to break down leaf litter and dead wood, from which they absorb nutrients essential for their growth.

Fungi also play an important role in ecosystems by forming relationships with other organisms. A mycorrhiza is a symbiotic association between a fungus and the roots of a plant, meaning that both parties benefit from their partnership. The fungus' hyphae extend the underground network of the tree's roots, allowing the tree to absorb more water and nutrients from the soil, and in return the fungus receives a source of carbon produced by the tree during photosynthesis.

Similarly, fungi form mutualistic relationships with algae and cyanobacteria (photobionts), which result in lichens. Since there are so many species of fungi and photobionts, there are a seemingly endless number of fascinating lichen forms, many of which can be seen and appreciated growing on rocks and trees in our local woods.

PAPWORTH LIBRARY

Summer Reading Challenge: Mischief Makers

Well done to all the children who took part in our Annual Summer Reading Challenge! Especially to those 58 children who completed the challenge by reading 6 books over the summer holidays. A presentation was made on September 20th to those children of a Mischief Makers Medal and Certificate. Our thanks to Pendragon schools Head Teacher Miss Shaw for her support and Assistance. Also to our

Young Volunteers Ethan, Ella and Ahana, who gave up their free time over the summer holidays to help Library staff by listening to the young children talk about their books.

Finally our thanks to Papworth Parish Council for their generous donation towards activities in the Library during the summer.

Other members of the group can offer advice and tips on searches.

PAPWORTH CRAFT GROUP

MEETINGS ARE ON THE FIRST & THIRD SATURDAYS OF EVERY MONTH AT PAPWORTH LIBRARY

10:30 - 12:30

Despite the recent warm and sunny weather, it is plain to feel and see that autumn has arrived. This time of year is wonderful for sitting down together, and creating items that reflect the season. The textures of the yarns for autumn and winter, that are used in knitting and crochet, are reassuringly thick and often very soft, whether for garments or throws and cushions. The projects that some members have on their needles and hooks definitely have that autumn/winter 'vibe'. A crochet blanket that one of the group completed was not only beautiful, but was made using a space-dyed yarn of autumnal shades, creating a very pleasing effect. It was a triumph, even more so because it was her first attempt at a crochet project. Another member, who has temporarily forsaken cross stitch for crochet, is producing items for her home at an amazing rate. She keeps having to buy more yarn to keep up with her hook. It is a very good excuse to add to one's stash! The one-handed crochet is progressing, much to everyone's admiration. Our main cross-stitcher is

working on a very detailed pattern of a dog for a friend. There are a great many colour changes involved, which always slows up the work. However, the dog is beginning to show its cute face, a little more visible at every meeting.

A CALL FOR SPARE YARN OR KNITTED SQUARES OF FOUR INCHES OR JUST OVER TEN CENTIMETERS

Can you help? We are attempting to put together a blanket - or maybe blankets - for a homeless charity, so that someone can stay extra warm over the winter. We are all knitting squares to this end. Most of us have spare yarn left over from previous projects, but if anyone has some yarn that is no longer needed, we would be very grateful for a donation. If you feel that you have the time to produce a few squares please go ahead. You can drop off your spare yarn or squares at one of our meetings.

The Papworth Craft Group is a community project. We are very, very fortunate that we are able to use the library for our gatherings. Small, rural libraries are under constant threat. To have a library in Papworth is a privilege, a great resource for adults and children alike. To have a library in our village enables children to begin a lifetime of appreciation for reading and borrowing books. Activities such as the Papworth Craft

Group increase footfall in the library and in turn contribute to keeping the library open.

A brief postscript: Christmas is beginning to appear in the shops, and we shall beginning to crochet, knit, cross stitch and sew seasonal projects.

If you are seeking inspiration for the festive season, come to one of our October meetings. You may have some good ideas for us? Go on - give it a try!!

Pupils from Papworth Dance School raise £950.00 for Macmillan at charity dance event

The annual fund raising presentation at Hot Steps Dance Academy was held last weekend. The event raised a total of £950.00 for Macmillan Cancer Support.

During the afternoon annual achievement shields were presented to pupils from across the school who have excelled over the past year.

Ellie Bray (14) from Papworth won the Class Merit Shield. Other winners were Maddie Holt (6), Gracie Fitzgibbon (7), Tom Wilson (10), Lauren Cullum (11) and Rosina Summers (12).

NOTICE FROM PAPWORTH SURGERY GP EXTENDED ACCESS

WEST CAMBRIDGESHIRE FEDERATION

Evening and weekend appointments – giving you more choice!

GP Practices in this area are making it easier for you to make **ROUTINE** appointments at times which suit you.

From 1st October 2018, in addition to our usual late night surgery at Papworth on a Monday evening, we will be taking part in a new scheme to allow you to make appointments every evening between 6-30-8-30 pm and on a Saturday and Sunday morning between 8-30 am -12-30 pm.

The extra appointments will be offered at 4 local surgeries, detailed below, and staffed by a variety of clinicians from across the area.

PLEASE NOTE: The new extended opening hours is **NOT** a walk-in service, so you will need to make an appointment. These are intended to be **ROUTINE** appointments, rather than for 'urgent' matters.

Contact our usual reception team, during our normal surgery hours, and they will be able to see what appointments are available to book. You will **not** be able to book these online yourself.

The service will offer....

- GP appointments - routine only
- Nurse – pill checks, routine dressings, removal of stitches, B12 injection (but patient must bring the injection with them)
- HealthCare Assistant - blood pressure checks, height, weight, pulse and BMI

As the service grows we will be able to offer other appointment types.

If you need to cancel an appointment you should contact our receptionists at Papworth Surgery, during normal surgery hours. We will then relay the message to the Extended Access team. If you need to cancel after Papworth Surgery closes, then please ring the number details below. Please note your call will only be answered during the Extended Access surgery times and you **cannot** ring the surgeries on their usual surgery number as they don't have access to the Extended Access appointments.

Pendragon Community Primary School benefit from Premier League Primary Stars kit and equipment scheme

Pupils from Pendragon Community Primary School in Papworth Everard, will be able to kick-off the new term in style, following the delivery of a free Premier League Primary Stars kit for their football team.

Pendragon Community Primary School was awarded the free Nike kit, consisting of 15 football shirts, shorts and

socks, after Mr. Pritchard's successful online application through the Premier League Primary Stars website.

Premier League Primary Stars is available to primary schools across England and Wales and uses the appeal of the Premier League and professional football clubs to inspire girls and boys aged 5-11 to learn and be active.

PLPrimaryStars.com offers primary school teachers free curriculum-linked resources in English, Maths, PE and PSHE, and opportunities for schools to enter competitions and access free offers like the Premier League Primary Stars Kit and Equipment scheme.

Richard Scudamore, Executive Chairman of the Premier League said: "The Premier League Primary Stars kit and equipment packs provide a fantastic boost to schools at the start of the new school year. We hope that coupled with the free downloadable online resources, we can inspire children to do their best in the classroom and on the sports field."

Samuel Pritchard, Year 5/6 phase leader and year 5 teacher, Pendragon Community Primary School said: "The awarding of this free sports kit will ensure that many more children will engage with the extra-curricular activities and sports offered by the staff at school. The pupils were ecstatic to have seen our amazing new kit and they will proudly represent the school within the kits for many years. Thank you very much to Premier League Primary Stars and Nike for awarding us our lovely new kit!"

New School Year

New Friends' Committee

FRIENDS of Pendragon (a registered charity) is run by volunteers, to raise money and provide community engagement; enriching the educational lives of the children of Pendragon Community Primary.

At the end of the last school term we said goodbye to our longstanding Chair, Laura Purran and Vice Chair Debs Greening – we would like to take this opportunity to thank them both for their years of volunteering and for all the money they raised along the way to benefit the Pendragon Pupils. THANK YOU, LADIES!

Now the new school year has started, the Committee has a new challenge. The first of which is to fill the gaps left by the outgoing team. Luckily, we have a fantastic group of parents/carers/friends willing to step up to the challenge and roles will formally be appointed at the Friends' AGM on 18th October. This is a public meeting and will be followed by a full Committee Meeting. New members ALWAYS welcome.

Without the support of everyone in the village, Friends would not be able to meet its fundraising targets and we hope that the fantastic support we've had over previous years can continue. We've some exciting times ahead as the new Committee settles into its role and there are SO many ideas for community engagement activities that you quite literally need to watch this space for!

Please follow our Facebook page for up to date details of events, keep an eye out for Parent Mails, if you have a child at Pendragon; and keep reading News and Views for updates from our new Chairs. In the mean time, pop the 9th November in your diary for our Autumn Fest!

Kilimanjaro Challenge - Update

Raising money for Breast Cancer

Well, we're home, and I'm so proud to have experienced this amazing challenge with some wonderful people!

We arrived in Tanzania on the 7th September having travelled via Addis Ababa in Ethiopia. After a day's acclimatisation we started out on the first of 6 days of quite intense trekking gradually climbing higher and higher.

Each night we camped out, with meals and facilities provided by the porters and crew and tried to get some sleep and rest our weary feet! On day 7 we stayed in Barafu Camp at 4600m and after a short rest, set out for the summit by torch light around midnight – the temperatures were already well below zero.

We had around 13 hours trekking ahead in total that day and whilst James made it to the top I reached 5819m - so not quite to the top, but nonetheless very very happy with what I achieved, and so pleased James made it all the way.

Apart from the fatigue, cold and just hard work of the trekking, my abiding memories of the trip will always be the beauty of the scenery (we passed through rainforest, barren moon like landscapes complete with craters and many variants in between), the camaraderie of the group & leaders and the support from the ever-cheerful porters who all made it look very easy!

We managed to raise the grand total of £2641, which with gift aid is well over £3000 – we'll be leaving our charity page open for a couple of more weeks then will be passing over the money to the Woodlands Centre at Hinchbrooke.

Thank you to everyone who has sponsored us it means so much, and we have had such a lot of support and kind words from the residents of Papworth!

James and Janet
