Latest News and Reports from P

Covid is thankfully dominating our lives a little less in recent weeks with the easing of lockdown. We continue to work in a covid-secure manner, with enhanced cleaning, social distancing, staff wearing PPE and we continue to offer most appointments as telephone initially. As the case numbers have dropped we have unlocked our doors to allow more freedom of access to the surgery building.

We continue to staff the Primary Care Network (PCN) vaccination clinic at Charles Hicks Centre in Huntingdon. We are making fantastic progress. Uptake is very high and we are proud to be part of such an important project. We have now completed all first vaccinations for cohorts 1-9 (as per the Joint Committee on Vaccination and Immunisation). We are steadily working our way through the second doses and are ahead of the national average for vaccinations. Cohorts 10 and beyond will be called for vaccination by the Government at a mass vaccination centre, which are not run by us at the PCN.

Appointments and staffing: We are under a lot of pressure at the moment as we manage staff shortages, long waiting times for appointments at the hospital, pent-up demand from the lockdown and the ongoing work of the covid vaccination programme as well as the daily challenges of a busy GP practice. We are all working extremely hard but it is a real challenge and sometimes we won't have enough appointments available to satisfy the demand. We continuously review the best way to manage our appointments and have recently made some changes. You will now normally be offered a pre-bookable appointment when you call, possibly a few days ahead, rather than an appointment on the same day. Please rest assured, if you have a medically urgent problem you will be either seen or spoken to by a clinician using one of our 'on the day' appointments. We only have a small

Papworth Surgery

number of 'on the day' appointments available, and these appointments are released at 8:30 AM and 12 Noon so you may be asked to call back at one of these times. If your problem is not medically urgent, and there are no pre-bookable appointments available, you will be asked to call back on another day to make an appointment and we are sorry for the inconvenience that this may cause you. Please be kind to our receptionists and bear with us during this time.

Claire: It is with great sadness that we announce that our Nurse Practitioner Claire Hodge is leaving in May to take up a new post as Diabetes Specialist Nurse for Huntingdon. This means she will be on hand to give us expert help with diabetic patients but will no longer be working at the practice. Claire has been with us at Papworth for 14 years and we are so proud of the work she has done. She is a wonderful nurse and colleague who has made such a difference in the lives of our patients, particularly the diabetic patients whom she has managed so skilfully. We are very sorry to see her go and she will be much missed. We wish her every success in her new role. We are in the process of recruiting a new Nurse Practitioner with a special interest in diabetes and hopefully have a new member of the team with us shortly. In the interim our fabulous nursing team Jenny, Muriel and Philippa and Healthcare Assistants Lisa and Nicole are all working extra shifts and taking on additional work to ensure continuity of care while we recruit – we are very grateful to them for their hard work.

PAPWORTH EVERARD PARISH COUNCIL REPORT

East-West Rail Consultation

East-West Rail has recently launched a 10-week consultation on the route of the new Oxford to Cambridge rail track - including the section that runs through a new Cambourne station (which will be either to the north or south) and the surrounding area.

You will have seen consultation packs with full details about the project coming through your doors in the past week or so.

There are 5 proposed routes, but it is routes 1 and 9 which are showing as the emerging preferences. Both these routes travel to the north of Cambourne and would see a new station situated to the northern side of Cambourne and the A428.

The Consultation: The consultation is open now and closes on 9 June 2021. This is the second public consultation to share the project plans. Following this consultation East West Rail will analyse responses and use these alongside continuing environmental, economic and technical studies to help shape various aspects of the project. There will then be a further stage of consultation, following which the application for powers to build the new railway will be submitted to the Secretary of State for Transport.

Virtual Consultation rooms are open where you can learn more about the developing plans for East West Rail: www.eastwestrail.co.uk/virtual

Here you can:

- View and download detailed chapters from the •
- Consultation Document and Technical Report
- Watch videos explaining key aspects of the consultation
- Take part in consultation events
- Respond to the consultation

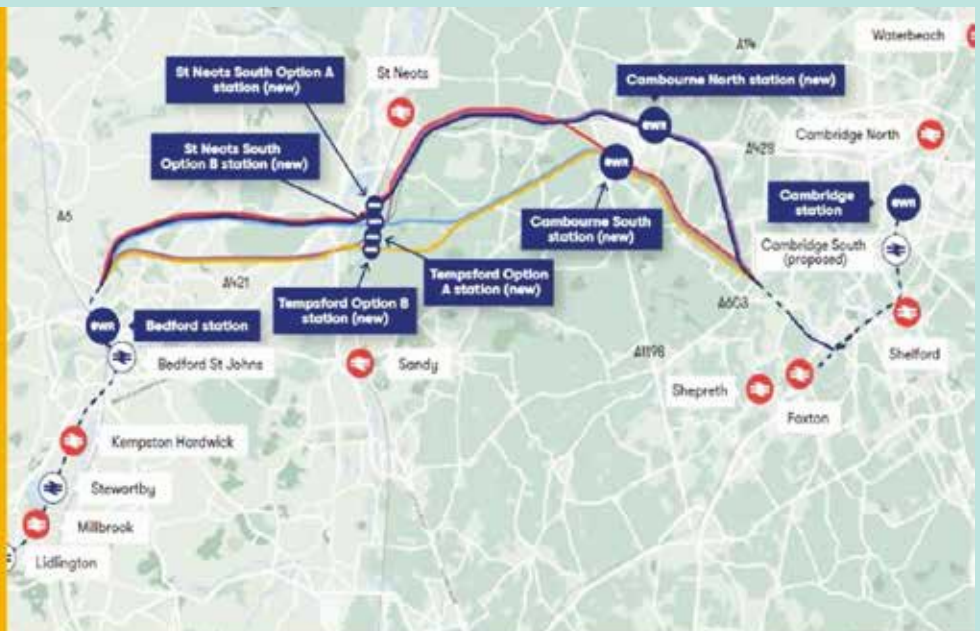

Section D: Clapham Green to The Eversdens is the section of the project which will have the greatest impact on Papworth Everard.

Following the announcement of the preferred route option, East West Rail have now identified and assessed potential route alignment options, as well as considering possible station locations on each of these route alignments.

Alignments 1 (Dark Blue) and 9 (Purple) to the north of Cambourne have been identified as emerging preferences for several reasons:

- They benefit from a shared 'travel corridor' with the proposed A428 Black Cat to Caxton Gibbet Improvement Scheme, meaning they already cover a route used regularly to connect people to places
- New housing and communities – there is more potential for new homes and communities in the area (particularly for Cambourne North compared to Cambourne South)

We have shortlisted five options for the route alignment in this section

Parish Clerk: Sarah Cruse

Telephone: (01480) 830360

E-mail: clerk@papwortheverardpc.org.uk

- Economic growth – alongside the development of new housing, a new station could bring economic growth to the community, creating more jobs and prosperity
- Value for money – they are expected to be less costly to deliver than other alignments connecting to the same station pairings

Housing and economic growth Alignments 1 and 9 are more likely to stimulate large-scale housing growth due to the potential availability of land for development around a new Cambourne North station compared to alignment options that serve Cambourne South. It would be expected that a significant number of new homes and new communities will be built to the north of Cambourne with East-West Rail claiming that this could be achieved without causing Papworth Everard, Knapwell and Elsworth to join up, and a site in this area is already identified in the emerging Greater Cambridge

Local Plan. There are also fewer heritage assets and areas of woodland and habitat in the area to the north of Cambourne.

We would urge you to review the consultation documents you have received, or look at the plans, maps and information provided online at www.eastwestrail.co.uk/ consultation and submit your comments by 9 June 2021.

VACANCY

Paddling Pool Attendants

(mid-July until early September)

We are looking to employ 2-3 pool attendants to maintain the paddling pool over the summer period to allow us to open the facility for this year.

The job is for approximately 5-6 hours spread out over the day from early morning until early evening, 7 days a week and is therefore ideal for job sharing.

This is a paid position

All necessary training will be provided

(Age 18+)

If you are interested and willing to commit a few hours a day to help over the Summer period, please register your interest with the Parish Clerk by email clerk@papwortheverardpc.org.uk

Paddling Pool Attendants Required

Summer Holidays: The paddling pool is a great asset to the village and well used each year by children from the village and from further afield. Providing the current lockdown restrictions are lifted in time for the Summer holidays, the Parish Council is planning to open the paddling pool for use this summer. But, to do this we need helpers to keep it running - without people to look after the pool, we are unable to open for the summer. It takes a great deal of work to maintain the pool so it is safe and clean to use.

We are hoping to employ 2 or 3 people to share cover of approximately 5-6 hours spread out over the day from early morning until early evening, 7 days a week, from mid-July until early September.

The pool attendant is a paid position, and all necessary training will be provided. If you are interested and willing to commit to helping over the Summer period, please register your interest with the Parish Clerk on 01480 832008 or by email clerk@papwortheverardpc.org.uk

Annual Parish Meeting

The Parish Council will be holding its Annual Parish Meeting on Wednesday 5th May at 7.30pm.

Due to the current Covid-19 situation, this meeting will be held remotely via Zoom video/tele conference. Anyone without internet connection or access to a PC can dial in to the meeting to take part.

The agenda will be posted on the Parish Council's website www.papwortheverardpc.org.uk as well as on the Village Hall and large Pendrill Court notice boards (as the usual Parish Council

Noticeboard on the side of the shop is inaccessible due to the building works) and Zoom details will

listed on the agenda.

The meeting is open to all residents of the village and is a chance to hear what the Parish Council has

been up to over the last year and for electors to have their say on anything which they consider is

important to the people of the parish.

There will be ample opportunity for attendees to ask questions, but if you prefer you can email your

question to the Clerk in advance clerk@papwortheverardpc.org.uk or call 01480 830360 and leave a

message on the answer phone.

We hope to 'see' you there !

Church Notices

St Peter's Church Services

There will be services at St Peter's church on the following Sundays

Sunday 2nd May - 10am Team Zoom Service

Sunday 9th May - 10.30am Holy Communion Service

Sunday 16th May - 10.30am Family Service

Sunday 23rd May - 10.30am Holy Communion Service

Sunday 30th May - 10am Team Service at Elsworth Church

The church is open on Wednesdays and Sundays for individual prayer

Details of Zoom services and other church events on the Papworth team website.

Roman Catholic Mass

(Latin Rite)

Every Saturday at 5.00 pm

Please consult our parish website for other times and more information

Nigel di Castiglione . . . Team Rector

The journey out of lockdown has started

The vaccination program seems to be rolling out beyond expectations although the lurking threat of mutations of the virus keep appearing in the news. The impact of the past 14 or 15 months is far-reaching, highlighted before the nation by the strict COVID protocols in place for the funeral of HRH Prince Philip.

I bumped into a schoolteacher recently. In response to my enquiry, she volunteered 'We're all very tired.' It was the end of the first week back after Easter; clearly the "holiday" was not a time of rest for her and her colleagues.

This is not surprising. Schools have had a torrid 12 months, not always as visible as the right and proper attention given to those on the front-line as health and care workers.

An underlying issue, I suspect, is the 'needs-must' demands driven by the pandemic have destroyed many of the important and life-giving rhythms people had in place; including times for rest, recreation and holidays.

For some the destruction of the old may be the prompting we need – to review and put in place new patterns, to prevent us from suddenly becoming much too busy again and too quickly.

This has long been a challenge for me, particularly working as a member of the clergy, where often the busiest days of the week were at weekends when others were used to taking time off; and exacerbated somewhat by 'living on the job'. In that sense the pandemic has catapulted many others – forced to work from home and needing to create boundaries around what is work and when to rest – into a similar predicament.

As a Christian, I am struck by the mentions recorded of Jesus taking time out with family, friends and sometimes to be alone, by himself or in prayer with God. What I find, in the gospel records, is not so much a rigid pattern to adopt slavishly but principles to work with and shape to the life and responsibilities I have. One of the consolations I find, as a person of faith, is that working out the practical details is not just about trial and error; rather, discovering God IS interested in our well-being and health at all times!

When it comes to new ways, new patterns and new disciplines I can, in faith and with resolve, declare 'With the help of God, I will.'

This is a moment, even a season, of new opportunities. Let's take time to move forward carefully; but doing so mindful that Christians invite everyone to know God close up and personal day by day.

As the Queen reminds us, this is a constant source of strength, on good days and bad days.

Hilton Methodist Church

We are hoping that the arrangements for worship at Hilton Methodist Church will soon return to normal but we will be continuing with worship on Zoom during May.

So our arrangements remain as they have been for the last few months:-

The Methodist Church building at Hilton may be closed but the church is still open online.

For the time being, we are holding our services via Zoom every Sunday morning at 9:45am. The services last for about 30 minutes and anyone is welcome to join us. Why not join us on Zoom for one of our services? If you would like to join us for worship, you will need a Zoom app on your computer, phone or tablet. The ID number you will need in order to participate can be obtained from Sandy Monk on 830273.

There is also an online service at 10:30am, which is usually led by Rev Nick Witham. That can be accessed via the St Ives Methodist Church Facebook page. It lasts for about 50 minutes.

In addition, each week, there is a recorded service that can be accessed by phone at any time on 01480 597118.

No meetings for the time being

How much custard can a girl eat?

After having had her allotted portion of custard with her lemon sponge (a favourite pudding at the Day Centre.) Pauline is finishing the remainder of the custard bowl! It is no wonder that Pauline is so tall!

Lunch at the Day Centre is always eagerly awaited by clients and helpers alike.

There is still no further news when the Day Centre may re-open. Our Treasurer, Jeff, has been working hard behind the scenes contacting the various Councils with regard to the Room and Busses which will be both available when the time is right. Jane, our Chef, is ready and waiting for the start up as are the Volunteers. Many thanks Jeff but until the Government lifts the

restrictions, we will just have to wait but hopefully towards the end of July. The building itself remains closed for the time being, but here are the details of how the Day Centre is normally run:

The cost is £13 per day including tea and coffee and a delicious two course meal cooked by our resident chef, Jane.

We would normally meet every Tuesday between 10am until 3pm in The Community Centre, The Close, Papworth Everard. The centre is fully wheelchair accessible. Transport is available in certain cases.

So, when we get the all clear we will contact all our clients and hope to see you all again then. If you are not already on our list and would like to give it a try then please get in touch in readiness for our return.

If you are a member of the Day Centre and would like a chat, or if you would like to find out more about the Day Centre, why not call the following?

Contact: Eddie on (01480) 830338 or Jenny on (01480) 492697 for further details or to book you place. Please ring for more information

We have received support from the
 Cambridgeshire
Community
Foundation

Varrier Jones Social Club

Well, here we go again. Update as we see it so far – Our Chair, Audrey, has been in touch with Varrier Jones Foundation who say that, to comply with Government Guidelines, they will not be looking to let out the Studio until July at the earliest so, on that note the earliest we could expect to be back would be the 6th August, that is, of course, unless we go into lockdown again!!

Looking at our Programme for the year I see that Jenny's booked Entertainment for August is Juke Box Legend Peter

Day who is a Singer. That sounds good to me a good sing song is, I am sure, what we could all do with. Something to look forward to, fingers crossed. Tea and home baked cake to follow, yes please.

The Committee Members send their best wishes to you all – Take care and stay safe until we can meet again. Remember, if you need a chat, you can always contact one of the Committee Members, we would be pleased to hear from you.

So, make a note that when we are all “free” again to come and join us? Make some new friends or catch up with some old ones for an afternoon of entertainment and chat. Meetings are held on the first Friday of each month. Start time is 1.30pm in The Studio, Pendrill Court. Admission is £3 for Members, £4 for Visitors. The Annual Membership is only £5. Where else could you get anything like this for the price?

On Your Door Step - Photos and Images from Papworth Residents

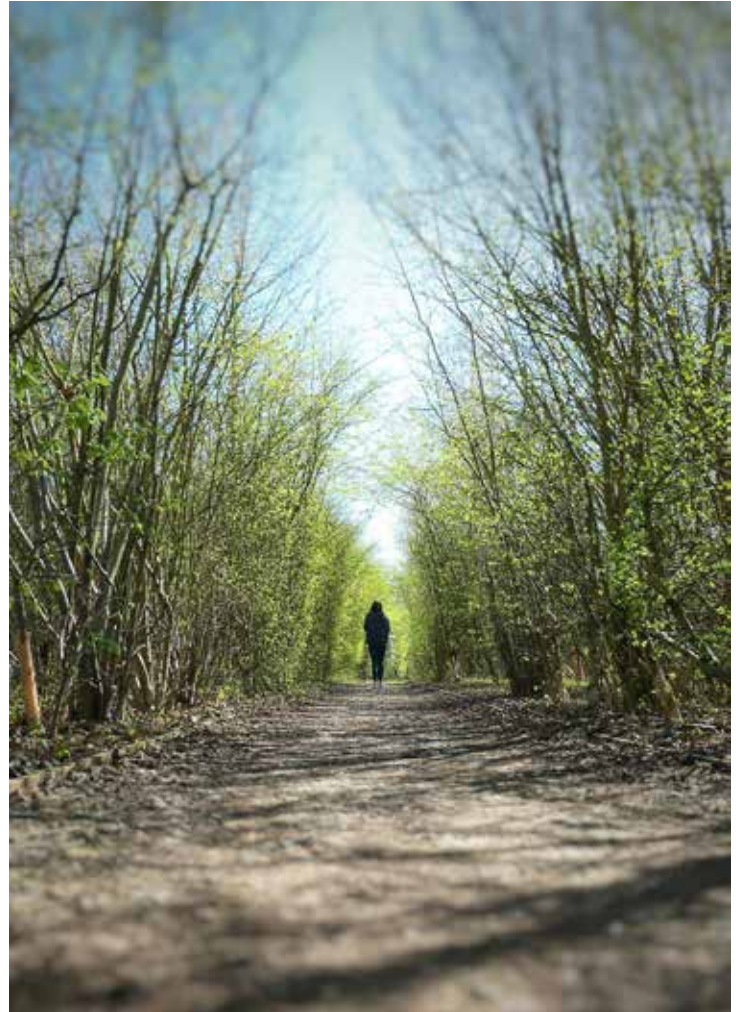

Bluebell Wood, Papworth Everard

The jewel bells swell out over the woodland floor
Their bright blue tide slops where it will
Stretching out between the slender oaks
and past the fallen trees, the humps and bumps.

The dainty bells call us to pay our annual homage
To catch a glimpse and catch our breaths
of nature's generous beauty on display,
The echo of birdsong, a halo to our view.

We tread lightly but stand taller for it all.

PAPWORTH CRAFT GROUP

MEETINGS EVERY FIRST & THIRD SATURDAYS
OF THE MONTH

PAPWORTH LIBRARY 10:30 - 12:30

(MEETINGS CURRENTLY SUSPENDED)

Spring has truly sprung, non-essential shops have opened and lockdown restrictions are slowly being eased. The road map is on track to release all restrictions on 21 June, with more social interaction permitted from 17 May. All this sounds great, but it is not necessarily good news for everyone, due to what psychologists call re-entry anxiety. The fact that we have been in lockdown for the best part of a year has given rise to anxiety - and even fear - about mixing with family and friends again. It is not that the fervent wish to see everyone again 'for real' rather than via FaceTime or Zoom is absent, it is simply that many of us have acquired the mindset that proceeding out into society once again seems a monumental task. Most of us have missed the normal round of life that is lived beyond the four walls of our homes. Yet we have become accustomed to our lockdown living and many of us may not feel ready to jump in and pick up our old lives.

The trick to resisting re-entry anxiety is to make modest steps in the first instance. Going to the gym, meeting one or two friends for lunch, or spending an afternoon with family you have not had the chance to see and hug are just a few of the many ways to get you back to something resembling a pre-Covid-19 life. Joining a group like the Papworth Craft Group would be a gentle reintroduction to mixing with others in a social setting, while enjoying the opportunity of two hours with your favourite craft without any domestic distractions.

The countrywide reports on the boom in sales of crafting materials would logically suggest that there will be some Papworth Everard residents, who, over the past year, have resumed their crafting hobby, or taken up a new one. Come to the first post-lockdown meeting of the Papworth Craft Group and show everyone what you have been making over the past year. There may be current group members who are concerned about venturing out after such an extended period of enforced isolation. When the first meeting is announced, prepare your craft bags and take the plunge! Everyone will have much to catch up on after such a long gap since the last meeting in March 2020, as well as a lot of finished projects to show off. Fingers crossed that 21 June will be the beginning of post-pandemic life!

A very big thank you to those ladies who have offered to knit squares for the charity blankets. Now that all the squares have been used up, there is a need to restock! A special mention and huge thank you to Sonja Allerton, who has spent the best part of the last 12 months joining squares to make blankets and crocheting borders around every one of them. There are large blankets and smaller ones, each one unique. When there were no more squares to join, Sonja began to crochet blankets. The large donation of yarn arrived just in time. For anyone who feels they would like to knit some squares, they should measure 20 cm x 20 cm or 8 inches x 8 inches. All ends sewn in please! For the most part the squares are knitted using double knitting yarn on 4 mm needles. If you would like some yarn, please contact Rosalind Parnell by email at parnellrh@aol.com.

The longer days afford more time for being outdoors and for many the opportunity to spend time in the garden, planting and getting ready for summer displays. By 21 June, all the

PAPWORTH RESIDENT

Pendragon Primary School

We wanted this month to say a great big thank you to everyone who has helped the children of Pendragon Primary School stay safe and keep up with their learning, even through lockdown. With only a few hours' notice, we were open for critical worker children and 5 days later the teachers were delivering at least 2 live lessons every day, teaching the children in school. In addition staff were also supporting small groups and working with individuals. I am very lucky to have such an amazing team who have worked tirelessly to support the education and welfare of the children of Pendragon. To all parents at home who managed to get their children ready for online lessons and supported their work during the day- congratulations you did a great job.

In addition, during this whirlwind of a year, we have been blown away by the support from the community of Papworth.

In the first instance the Papworth Community Group have provided much needed supplies to families in need from the impact of lockdown, furlough and children being at home every day, nonstop eating. Their group of volunteers have been available at a moment's notice to support in whatever way they could. With lockdown ending, the group are still there to help and can be contacted at : <https://www.papworthcommunity.co.uk/>

The other crucial element of support was how members of the community supported us with electronic devices. From the Scouts, to members of the village we had never met, devices came flooding in very quickly. This meant that all students that had requested support with extra devices could access online lessons straight away once we were in lockdown in January.

In addition, we were lucky enough to receive support from Aveva once again, who donated computers through their Action for Good programme. These donations enabled our pupils to take part in all their live lessons and talk to their teachers and classmates daily. Our families were incredible and once again embraced home learning whilst having to meet their own work and personal commitments. We have always known what a positive community Papworth village was, but the support for all that we have witnessed during the pandemic has been heart-warming and moving.

The school grounds are awash with Spring colour. From blossom trees to spring flowers planted last year. As a school, we love using the Haven, our wildlife area at the bottom of school. It provides

exciting outdoor experiences for the children and their learning. During recent months it has provided another safe outdoor spaces-with plenty of ventilation. Sadly, we have recently found full dog poo bags and rubbish thrown over the fence into the area, the poo bags are currently hanging on the trees. The children were very upset to find them there. Please help keep our wildlife area safe and litter free. Thank you.

Pendragon Preschool

We have been having lots of busy Easter and Spring fun in Preschool this month! There have been some fantastic entries for our Easter Bonnet competition and we created some lovely spring art. The children enjoyed a nature hunt and created some lovely pictures with their findings. The children have also been very busy planting seeds and caring for the garden, they all grew their own cress pots too.

We have been noticing the spring changes in our forest school sessions, searching for new buds on the trees and blossom. Now it is much drier, the children have been able to explore even more of it. The children have been using the magnifying glasses to hunt for bugs and then keeping a score of how many they found of each- with a record of 15 ladybirds in one session, we had a very excited group!

The children have been enjoying reading traditional tales over the past few weeks. Jack and the beanstalk has been a big favourite, with the children planting and drawing their own 'beanstalks' and measuring and ordering beanstalks too. We also had great fun with the three little pigs, creating our own houses with different materials to see which is strongest and retelling the story using puppets.

We have been lucky enough to be able to resume our music sessions with Jenni Pinnock on Tuesday mornings again. We have been listening to different genres of music including orchestral, African, and disco and practicing our core numbers songs. Over the next few weeks we will be looking at various instruments including the clarinet, oboe, violin and flute. The children will be practicing their highs lows and rhythms and will have a turn trying to play some guitar themselves.

You can find more information and newsletters on our website. If you would like to find out more about enrolling your child with us for their preschool education, please contact Miss Davies (preschool manager) or Mrs Duff (preschool administrator) on: 01480 830267 Email: ppreschool@pendragon.cambs.sch.uk

Fly Tipping in the Haven . . .

. AGAIN

It beggers belief, but some ignoramous has again fly tipped rubbish in the Haven, which is the School's Wild Life Area.

We cannot uderstand, why people feel they have the right to dump their rubbish where they want. How would they feel, if we were to dump our rubbish over the fence into their garden.

The Editors

theWI Papworth Everard INSPIRING WOMEN Womens Institute

We enjoyed our second Zoom Members Meeting on 23rd March with more members mastering the technology to join us this month. The theme for the evening was Easter and many of us appeared in our Easter bonnets/hats/bunny ears to get in the Eastertide mood.

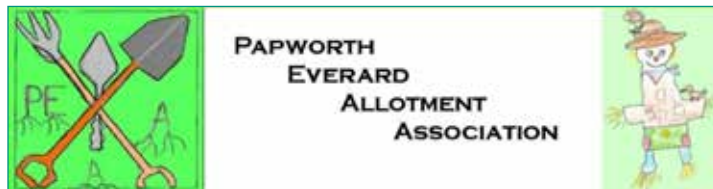

Some of the ladies showed off their lovely easter crafts on screen – many of which were made and donated to the Papworth Community Group to hang in the trees along the Craft Walk that the Group had organised for the Easter weekend.

Following the usual business we had two demonstrations by members of the Committee, Lyn and Gill. Lyn showed us how to make a simple plant arrangement on a plate to bring a little sunshine into the house. By using a few small pots of spring bulbs and primroses Lyn's display looked amazing. Gill then demonstrated making yummy chocolate easter nests using crushed shredded wheat, melted chocolate and some colourful mini eggs.

Not all the ladies are able to join the Zoom meetings at the moment but are kept fully informed and copied in with everything that goes on. To ensure we include the whole membership members of the Committee delivered lovely chocolate Easter bunnies to all the ladies as a little treat for Easter.

Welcome to Spring on the allotment! So many veggie and fruity delights to look forward to this year. Already the white sprouting broccoli is delivering the goods and we have been able to have delicious sprigs with butter and new potatoes. The asparagus is beginning to show itself and should be ready to eat in a few weeks time. Again I think butter will feature in the cooking. The abundant apple blossom is promising a great crop ready from late August. We are really lucky to have such a good facility in the village so close to home.

YES SHE CAN at ST MARY'S

Scouts 1st Papworth Scout Group

We are finally back to meeting face to face again after nearly a year of on-line sessions.

Given the numbers and time of year all sections will be meeting outside up until the summer, so give us a wave if you see us around the village.

The Beavers have started back with a teamwork session, getting to know all the new members. They have also tried out their bicycle skills and have lots of new activities planned to include archery and litter picking.

The Cubs will be out and about again soon but have had a full packed term doing international cooking, karate, and a careers masterclass where lots of volunteers gave them talks on different jobs from fireman to scientist. Their next task is to do some soap carving. Which sound like good clean fun!!

The Scouts have been back outside and have spent an evening working on their knot skills to built catapult styled inventions. We have also spent a night getting back some fitness after a year inside, with a number of fitness challenges. For the rest of the term, we have fire lighting and canoeing planned along with a farm trip to find out what a modern farm consists of.

We would again like to thank the volunteers who have helped out with our meetings and have offered support going forward.

We have several children on our waiting list so are always looking for additional support. If you think you would like to offer your services, either on a regular basis or perhaps you have a skill or some knowledge that you could pass on to the group. Please contact us on info@papworthscouts.org.uk

Blasters Update

We were delighted to be able to restart training and matches following the lifting of restrictions at the end of March. The players have really enjoyed it, and as a Club we have appreciated our parents support in adhering to our Covid

19 safety measures.

We are looking forward to matches, friendlies and hopefully tournaments as we go into Summer and if the government roadmap goes to plan a presentation event.

Looking forward to the 2021-22 season we have a volunteer to Coach an U8 team (Current U7 age group). If you have a child who will be in Year 3 in September who would be interested in playing, please contact me. If we have enough interest we will be able to form a team.
